SENATOR BARNETT: In the position of not voting, do I have to announce that I am prepared to take it up for reconsideration at a later date? I don't have to do that, do I?

SENATOR LUEDTKE: Which request number were you reading?

CLERK: 710.

SENATOR LUEDTKE: Yes. Mr. President and members of the Legislature, the Judiciary Committee has four bills which, I believe, completes the Interim Study work on the criminal-- on the juvenile justice subcommittee work of Senator Barnett and if Senator Barnett wishes to add anything to these bills. All of these were bills which were prepared by the Committee of Children and Youth and meeting with the Judiciary Committee during the summer months on interim study, we developed these bills and this is one of them. The first one, Request #710, which deals specifically with granting to the youth the right to avail themselves in a juvenile justice situation of the suppression of evidence in Juvenile Court.

PRESIDENT: This is a machine vote requiring 30 votes. It is Request #710 by Senator Luedtke for the introduction of a bill. Record your vote. Have you voted? Record, Mr. Clerk.

CLERK: 31 ayes, 0 nays.

PRESIDENT: The bill is introduced.

CLERK: Microphone not activated.

PRESIDENT: The chair recognizes Senator Luedtke.
